> Die Mehrheit der Laboratorien wird in Kürze Antigen-Tests durchführen können für die Länder, die diesen Test akzeptieren.
> Die Verantwortung für die Durchführung der Tests liegt beim Reisenden, da Test und Daten personalisiert sind. Der TUI Service unterstützt bei Bedarf.

*Payment Method: Mostly recommended to pay by credit card. Cash payments would eventually have an additional charge.
**It is essential to have an email since the results will be sent by this means only. Regardless of the day and Opening Hours of the laboratory, the results would be sent at any time.
***The user can consult the telephone numbers provided for the exact addresses and those that best suit them for the sample since some laboratories have different branches in the same area or nationally.
1-The laboratories mentioned are duly endorsed by the Ministry of Public Health of Costa Rica for the performance of the tests.
2-It is possible to carry out the samples with express providers that would be providing the home service for additional costs, however in the end they would have agreements with some of the above-mentioned laboratories.
3-In the RIU hotels it is possible to perform the test with the hotel's medical office for an additional cost.
